

*My  
Grammy*

*My sweet Grammy was a very nice lady. She would give stuff when you need it. She would give you money to help pay your bills. She would fix holes in your clothes and make sure they fit you. She would make cover for my dog in the winter. All she wanted to do was take care of herself. She was beautiful, funny and grateful. She had many interesting stories. She was loving. She loved everybody. She read the Bible everyday. She was smart. When I was small she would teach me math and other things, while my mom and dad was at work. I love my Grammy and she loved us and we will miss her.*

***Love, Jay***
