

♥ Acknowledgment

In the midst of our sorrow, our cup truly overflows as we gratefully acknowledge the love and concern you have so freely shared with us. Our family is deeply appreciative of your kindness as we rejoice in both the memory of our loved one's life and in the comfort, you have brought us. May God richly bless each of you.

~The Family

For 23 years you've protected me, it has been a complete honor to be your little sister. I'm still in disbelief that I have to do this life without you and that we don't get to ride out like we said we would. I'm thankful for all that you taught me, I'm thankful that no matter what, we had each other's backs. I'll miss singing together at the top of our lungs, laughing at the craziest stuff and your cooking. You'll forever live through me, distance has never been an issue but this time I pray you continue to watch over me & the family.
