My name is Dyren McKnight. I remember when we was 10 years old, waking up and Denzel was peeing on himself. He told me he had a dream where he was using the bathroom. Always watching. I'll be up there in a minute. Love my big bro'. All your siblings and family say "We love you." I was there on my knees feeling your last heartbeat. This don't feel real. Love you. Come talk to me.

**My Son**

*It broke my heart to lose you,  
But you did not go alone  
A part of me went with you  
The day god called you home.  
A million times I've thought of you  
A million times I've cried,  
If loving could have saved you  
You would have never died.  
Forgive me lord, I'll always weep  
For my son I loved so much  
But yet I could not keep*
