Obituary

Virginia Lee Parker Savage-Webb was born on July 29, 1965, in Eloise, MI to Nahvella L. Parker and Fredrick G. Smith (who preceded her in death). On March 14, 2023, Virginia was called home by the Lord and gained her wings.

Virginia was the first born. Virginia attended Inkster High School as a Viking, graduating with her H.S. diploma. She accepted Christ in 1998 and never looked back. She was married twice. She attended Virginia Farrell Beauty School of Cosmology where she became a state certified beautician who specialized in braids. She furthered her passion for herself by becoming an entrepreneur and opening a small shop located in Detroit, MI and entering several hair shows where her family and friends were her models. Although hair was her calling, braids were her passion, and she was "Viscous" in the hair world and in her talent.

Virginia leaves behind to cherish her memories 3 children Elton Lee Savage II, Craig Jerome Savage, and a beautiful daughter LaVerne Elaine Webb. Four amazing grandchildren Antonio Christian Ray, Alayzia Niyanna Rose, Austin Lee, and Aiden Alexander. Her mother Nahvella. Three sisters, a host of nieces, nephews, cousins, and friends who will miss her dearly.

Let not your heart be troubled: ye believe in God, believe also in me.

John 14:

Grandma, we love you and will miss you so much, but we understand and know that we too can be brave as you were. Thank you for being a joy in our lives...

Love Antonio, Alayzia, Austin, and Aiden

I have always been amazing with words, and yet I find myself trying to figure out what to say. You were such an amazing auntie and missing you doesn't even begin to describe the hole that is left in my heart. All of the hair shows, car rides, drive-in movies and just having a good time with you just got cut so short. My favorite aunt, who I named my first daughter for, is finally at peace. I am going to miss you so much, but I know that you are in a better place.

Love Cornelia

I'm still wrapping my mind around the fact that my beautiful sister is gone. I know that you knew that I love you ♡ because we say it all the time but now I won't hear your voice say it no moreyou will always be in my heart and I will love you forever.

Love always Rita

To my beautiful daughter, now it is time for you to go and be your best version of yourself and know that I love you and thank you for loving me. Remember I will always be with you in your heart and cheering you on for greatness.

Love your Mom

To my first-born love you and may you rest in his heavenly arms.

Your Mom
