Life Reflections

Keynda Richardson was born December 3rd, 1977 in Detroit MI to parents Vernessa Richardson and Bernard Washington.

Keynda accepted Christ into her life at the early age of 10 and has been a joy to so many since her life began. Always being the light to brighten a room with a smile that could steal your heart. She was always so caring and sweet, that's what people loved about her most. The loving and caring spirit she carried.

Keynda started and completed her educational journey in the Detroit Public School System. She received her high school diploma from Northern High School in 1996. She was a person of many passions and talents and that allowed her to explore different career paths before finding that certain thing she loved.

While continuing to make her mark on life, she became a culinary cook who made every dish with love. They say you have to find your niche in life, so that the things you do don't feel like work, and that exactly what she did. By being able to touch people through different foods and dishes while expressing her love.

On May 12th, 2023, keynda was called home to be with her father in heaven. We lost an amazing daughter, sister and friend but gained an angel forever

Keynda leaves to cherish her memories, her mom Vernessa Richardson, Father Bernard Washington. Siblings Kini Richardson, Mickea McConnell, Angela Jefferson, Temeka Knox and Christina Jackson.

Psalm 23

The Lord is my shepherd; I shall not want.

He maketh me to lie down in green pastures: he leadeth me beside the still waters.

He restoreth my soul: he leadeth me in the paths of righteousness for his name's sake.

Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me.

Thou preparest a table before me in the presence of mine enemies: thou anointest my head with oil; my cup runneth over.

Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the Lord for ever.

I cannot let you grieve for me,
For those who love must let us go.
In comfort, please believe I'm free,
From all the pain life can bestow.

As I begin my world anew,
Consider not what used to be,
I'm sending happy smiles to you While I enjoy eternity.
Lord, bless the home.

From which I came,
Yet brush each lonely hour away.
With fond remembrance of my name,
And a sunshine for a newer day.
Look to the wind to find me there,
Beside the hardest thing you do.
I've left my love within this prayer.
I'm always watching over you.

Sister, I never I thought you'd leave us this soon. I wish I could hug you and just see your face. But now i have memories to stand in your place. I will forever cherish every moment we shared together. You were always the life of the party, so helpful, and funny. I'm going to be deeply miss our everyday talks and laughs.... You will always have a special place in my heart and I will continue to live my life through you.

I love you so so so much!
Until we meet again.....

Your sister Temeka

I Miss You

Sometimes when I first awake I think that you're still here, and for a fleeting moment the clouds all disappeared.

For you brought endless sunshine until you went away, and now I miss you desperately each minute of the day

You would not like to see me sad so what I try to do is live a bright and happy life in memory of you.

For though i'll always miss you and its dreadful being apart i havent really lost you you, re still here in my heart.

Big Sister,

Where do I begin? So much left to say and I don't even have the chance, to put somethings in words so you'll understand. How much you really meant to me and how I can't believe this is the end. You've been here from the very start of when my life began. You picked me up, you carried me and taught me things that are forever instilled in me. But somehow this is where our story ends. So now I'm left with memories to remind of what you'll forever be to me. My big sister, my second mom and my very first friend. I'm not too good at goodbyes, so this is I LOVE YOU AND I'LL SEE YOU LATER UNTIL WE MEET AGAIN.....

Forever your little sister
