# Obituary

Troy Lee Green V was born March 13, 1977 in Detroit, Michigan to Rosemary Green and Stan White. He was the second of three children. While he was being carried by his mother "Booski," everything got on her Nerves, thus came his nickname which was later shortened to "Nerv".

Troy was raised in a loving home with an extended family, you all know how we did it. Life threw our family many curve balls but never any strike outs. No child was left out or behind, we were just one big family and there was always plenty of love to go around.

Troy was educated in the Detroit Public School System where he attended Central High school until asked to leave. He went on to receive his GED in June 28, 1997. Those hands were busy as he learned to type and display his secretarial skills, which he picked up honestly from his mother. Troy worked with the City of Detroit Recreation Department as a clerk, where his coworkers enjoyed his bubbly personality. Onward, as a Computer Support Technician, he graduated from Kaplan Career Institute on February 24, 2012, as he gained another skillset. His happy place was with Home Renovations, plumbing, carpentry and his plastering skills were impeccable.

Troy began his walk with Jesus Christ at an early age at God's Holy Tabernacle under the leadership of the late Supt. Zelte Crawford, as a part of Scripture Knowledge. Troy had his own way of doing things but he loved and acknowledged God and tried to walk in love everyday. Nerves loved his family and friends. If he liked you and he could trust you, he made sure you knew it, that smile and laugh was contagious. He had a BIG, soft, kind heart and he knew when you weren't coming correct and that's when he was done with you. Nerves was a selfless person, just a call away, always willing to help anyone, when and wherever he was needed.

Preceded in death by his parents, Rosemary and Stan, mama, Deb grandparents, Rosemary and John B. Eddington. big brother, Leon II aunt Laureen, and his uncles Troy and Leon Jr.

Troy leaves to cherish his memories, three sons, Troy "Gert," Isaiah and Nicholas; sisters, Rosemary (Larry) and Carrisha; raised siblings, David, Julius, Laureen II, Nanette II, Yvette, Debra II, Clarence, Jam II, and Honi; "Pops" Clarence; two aunts, Nanette and Regina; five uncles, Martin, Julius, James, Neil and Jason; nieces, Courtney and Tashiana; nephews, Davon and Cody. A host of cousins, extended family, and friends.

## To My Rosemary

(The Last Rose in the Garden)

"I want you to know I really love you. I must say thank you, big sister. You extend your love to me like a mom. I gotta ask where would I be without you? You have been (besides the Lord) the greatest example of an idol that I've ever seen. You continuously keep me in your heart and I gotta let you know that I thank you, greatly, and that's for everything. You have always shown me the correct ways to do things, which makes me want to excel and reach for greater heights. My dream was to be more like you so I figured if I did that I could be closer to God. Thank you Rosemary! You are the last rose in the garden but the "only" rose in my life."

**I LOVE YOU,**

Nerv (Troy Green)
