## OBITUARY

**MR. PHILIP ROBERT SCOTT** (or Bobby as he was known by) was born on April 19, 1954 in Detroit, Michigan to the late George and Marie Scott. Philip accepted Christ and was baptized at an early age. He was the youngest of four siblings, all of whom preceded him in death.

Philip grew up in the Southwest Area of Detroit in a very close community his entire childhood. He attended neighborhood schools and he ultimately graduated from River Rouge High School in 1972. After graduation, Philip started working at Chrysler on the production line. Throughout the years, Philip explored several career changes, yet he always excelled in the Customer service industry. During this time Philip met and married Ann Franklin, they were married for 7 years and even though they were no longer together they remained good friends.

Philip genuinely enjoyed helping people and that's why when he decided to work as a Peer Counselor it came as no surprise to the people in his life. And the work he did always brought him great satisfaction. His last position was with the Neighborhood Services Organization (NSO), as a Consumer Advocate.

Philip was very active in his younger days, he enjoyed roller skating at either Roller-Cade, or Carousel skating rink in his own Southwest Detroit neighborhood. He also loved collecting DVDs for movie nights, listening to all types of music and attending concerts. Especially the free summer concerts downtown, going out to eat, home gatherings with friends and family.

Philip departed this life on August 14, 2021. He leaves to cherish his memory, his godsisters, JoAnn McBride and Paula McBride-Mabry, sister friend, Venita Simpson, close friend, Dorothy Perry, his Ethel St. Family, former coworkers, and friends.
