Special Tributes

God's Love

God saw you getting tired: a cure was not to be So He put His arm around you, and whispered, "Come with me." A golden heart stopped beating, hard working hands now rest. God broke out hands to prove he only takes the best. We sat and watched you suffer. There was nothing we could do. So the Lord put His arms around you and said. "I'll take care of you." So He took you to a place a home where there is no pain. And there we know you are waiting until we meet again. We all love you and will miss you dearly. From Inez, Phrenoy & Joanne.

Dearest & sweet Auntie Gloria,
You have written many love letter. I thank
God for mine. The Angels are waiting for

Love your nieces & nephews

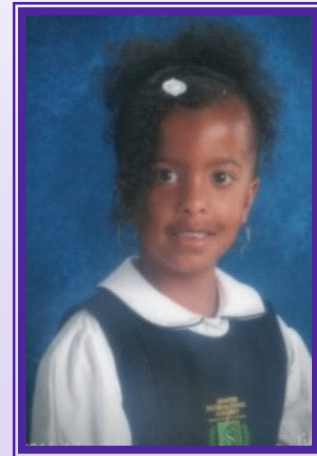

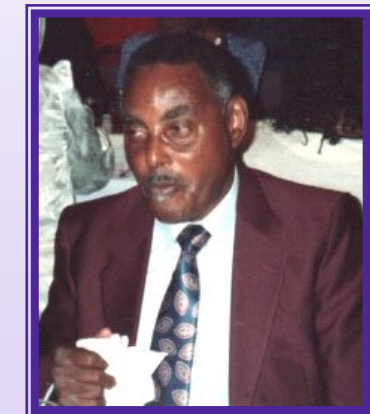

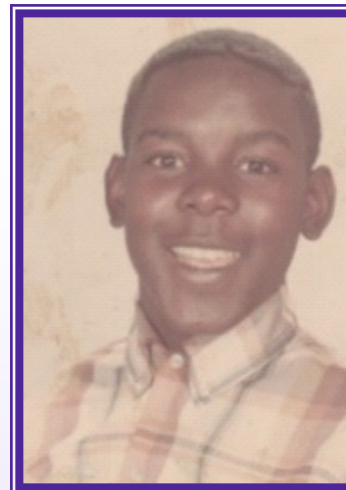

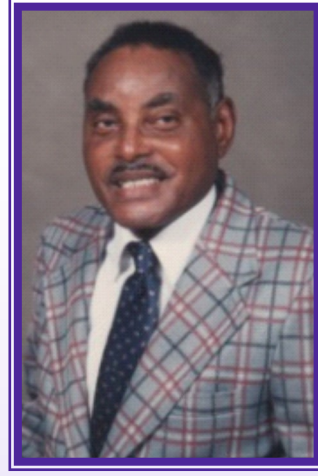

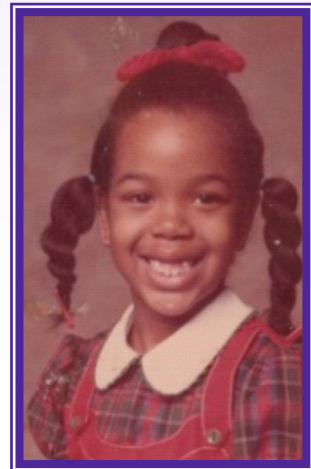

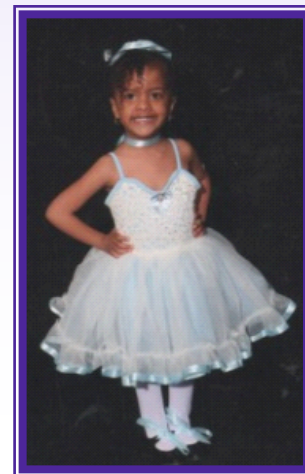

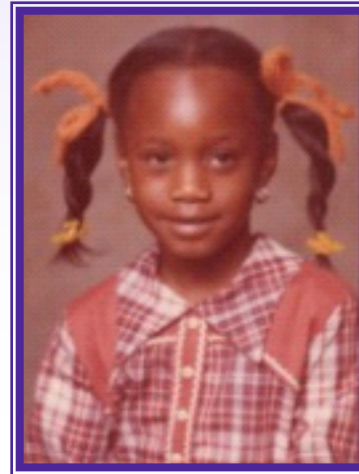

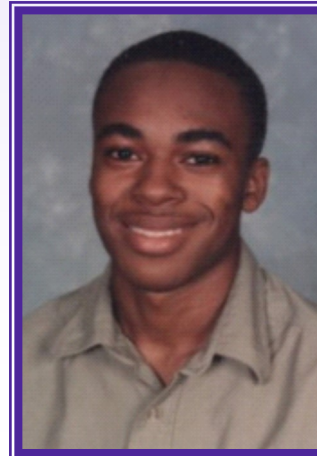

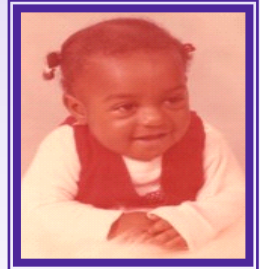

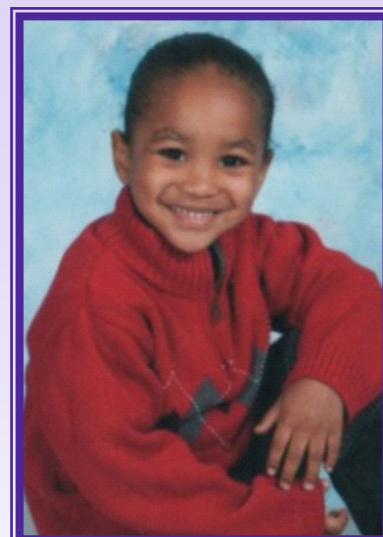

For everything we shared:

Grand Ma; According to Ecclesiastes 3:1,2,&4. There is a time for everything, and a season for every activity under the heavens. A time to be born and a time to uproot. A time to weep and a time to laugh, a time to mourn and a time to dance. God didn't promise us days without pain, Laughter without sorrow, or sun without rain. But He did promise to give us strength for days and time like this. Comfort for our tears and light for our darkest hours. Grandma, you fought a good fight and our Love for you will never end. We will forever be grateful and our special times together. We know death is the last chapter in time but the first chapter in eternity. You have passed through glory's morning gate and into paradise. REST WELL; Laugh Loud, praise and sing your song and enjoy your dance time with the angles.

Great Grands: Ja'Noy and Tyree**
