*Fifteen years of happiness just wasn't enough time
To show the world that you were mine.
There are no words to express how sad I feel,
How lost I am without you; it does not feel real.*

*Married to you I will always be.
Memories we made will stay with me.
Warm in the feeling that you're still around,
Knowing one day all will be found.*

*Love, your wife,
Sarah*

This day has come
The day I've dreaded
Dad I wish I could be
in your arms once again,
But I can only sit here
and think of you instead,
I think of all memories
we've once shared
You are truly gone this I know,
I just want to tell you that
I still love you so, and I'll
hold on to your memories
I'll never let go, For you were my Hero
You were my Dad.

“God Only Takes the Best”

God saw that he was getting tired
And a cure was not meant to be
So He put His arms around him and whispered “come with me.”
With tearful eyes we watched him
suffer and watched him fade away
Although we loved him dearly
we couldn't make him stay.
A golden heart stopped beating and
a warm loving heart went to rest
God broke our hearts to prove to us
that He only takes the best.
