A Letter from Heaven

*When tomorrow starts without me and I’m not there to see;
If the sun should rise and your eyes all filled with tears for me*

*I wish so much you wouldn’t cry the way you did today;
While thinking of the many things we didn’t get to say.*

*I know how much you love me as much as I love you;
And each time that you think of me, I know you’ll miss me too.*

*When tomorrow starts without me, don’t think we’re far apart
For every time you think of me, I’ll be right here in your heart.*

His Journey’s Just Begun

*Don’t think of him as gone away his journey’s just begun,
life holds so many facets this earth is only one.*

*Just think of him as resting from the sorrows and the tears
in a place of warmth and comfort where there are no days and years.*

*Think how he must be wishing that we could know today
how nothing but our sadness can really pass away.*

*And think of him as living in the hearts of those he touched...
for nothing loved is ever lost and he was loved so much.*

Your loving sisters

You Meant So Much

*You meant so much to all of us You were special and that's no lie
You brightened up the darkest day And the cloudiest sky*

*Your smile alone warmed hearts Your laugh was like music to hear
I would give absolutely anything To have you well and standing near*

*Not a second passes When you're not on our minds
Your love we will never forget The hurt will ease in time*

*Many tears I have seen and cried They have all poured out like rain I
know that you are happy now And no longer in any pain.*

*Until we meet again,
Nieces and nephews*
