Don't grieve for me, for now I'm free,
I'm following the path God laid for me.
I took his hand when I heard his call,
I turned my back and left it all.
I could not stay another day,
to laugh, to love, to work or to play.
Tasks left undone must stay that way,
I've found that peace at the end of the day.
If my parting has left a void,
then fill it with remembered joy.
A friendship shared, a laugh,
a kiss ahh yes these things to I will miss.
Be not burdened with times of sorrow,
I wish you the sunshine of tomorrow.
My life has been full, I savored much,
good friends, good times, a loved ones touch.
Perhaps my time seemed all too brief
don't lengthen it now with undue grief.
Lift up your heart, and share with me,
God wanted me now, **He set me free.**

The years will always roll on by and time will always pass,
but every memory I have of you
will definitely always last.

I like to smile when I think of you. I try not to be sad.
It's pretty easy to do with all the good times that we've had.

But sometimes I can't help it,
and memories leak out of my eyes
and I quickly try to brush them away.
I know you wouldn't want me to cry.

I don't know how it's possible,
but I love you more now than I did then,
and I really cannot wait until the day that I see you again.

Because, Bigmama, I know I would take hold of you
and never ever let you go. Every day that passes by
I miss you more and more.

Love Always Pam and Majoy!
