In Memory of Our Dad

If we wrote a story

It would be the greatest ever told

He also had a heart of gold

One of a kind

A loving father to us all

He never met a stranger

He always had a ball

I could write a million pages

But there's one thing I would say

Just how much We love and will miss

Him every single day

We know he loved us

We know he would not want us to be sad

So we celebrate on this day

Our loving DAD!
