A Grandmother's Love
Dedicated to Mrs. Oreatha (Marbury) Whetstone

A grandmother's love is something special,
That's the reason why I know she is in heaven.
So the pain she went through none
of us know but we realize that she knows.
The pain that she had I wanted to take away
But it was her time and God took her away.
A Grandmother's love will always be,
because in my heart she will always be.
So the love she had was very special
Because she gave it to everyone
And that made me feel special.

Love You Grandma, Andrea
