Missing You Always

*You never said I'm leaving
You never said Goodbye,
You were gone before we knew it
And only God knows why.
A million times I needed you
A million times I cried,
If love alone could have saved you
You never would have died
In life I loved you dearly
In death I love you still
In my heart I hold a place
That only you can fill.
It broke my heart to lose you
But you didn't go alone,
As part of me went with you*

I Love You

*You are my rock, my number one.
The good ending to a bad day and the
best start to a new day.
You are my incredible man.
You are the love of my life, my best
friend, my soulmate, and my everything.
I Love You Always, with my whole heart.
Your Loving Wife, Francine Parker*
