We thank you for your telephone calls, prayers, visits and compassionate attention in this difficult time. Thank you for loving our Mother. Thank you for being kind. Our words are simple and our hearts are full, but our gratitude is deep. May God bless you for all that you've done. We offer special words of appreciation to the doctors and staff of the Englewood Health Care Center for your attentive care over the years of her residency there.

At her request, a portion of her cremains will be buried with her beloved husband, Jewitt and a portion will be scattered along the California coastal beaches.

The Obituary
REMEMBERING "NANA"

Maryanna Tucker was born in Los Angeles, CA, on October 31, 1941, to Arthur Saxell and Mary Katherine Nichols Saxell. In 1968, she met her soul mate, Jewitte Preston Tucker and the two entered the sanctity of Holy Matrimony. This union brought about the birth of two children.

She enjoyed crafting, singing, dancing and enjoying time with her children and grandchildren. She met no strangers and loved to "talk" to people. She embraced a jovial and happy approach to life and never missed an opportunity to impact someone else's life. Family and friends found her to be sweet and kind; unselfish with her heart and generous with her love. Her grandchildren held her heart and often pulled her heart strings. Their smiles brought her the most joy.

She worked throughout her lifetime, providing for her family and supporting her husband's role in parenting. She attended college and gained educational skills to work in the Doctor's office as a Medical Office Manager. Maryanna enjoyed the interaction with others and was a true "boss lady," managing the day to day operations for two doctors, without a glitch.

Maryanna was a stylish woman who trusted God as her personal Savior. She devoted her lifetime, living as a God-fearing woman. In the most recent years, she grew to lean on Him more often, singing hymns and sharing the word of God with those she came in contact with. Her time at Englewood gained her many friends and together, they would give praise to the Lord.

In the early morning hours of Wednesday, June 1, 2022, God saw that this Angel was not meant to stay. He quietly closed her eyes and whispered, "come with me." She traded her home on earth for a mansion in the sky. She was preceded in death by her husband, one son: Wesley Trent Tucker, her parents and two brothers: David Bowles and Howard Bowls. Oh, how her family rejoiced when they met her at Heaven's gate.

She leaves cherish her memory, three children: Ruby "Katie" Tucker of Oxford, AL, Roberta Nelson of Seattle, WA and Paul (Lillian) Cunningham of Clinton, UT; siblings: Dean (Ann) Bowles of Menona, Wisconsin, Mark (Lisa) Bowles of Clovis, CA, and Linda (Martin) Koppelowiz of Meridian, ID; seven grandchildren: Mark, Alexia, Desiree, Ryley, Kylar, Anna, and Sarah, a great granddaughter: Savannah; two brothers-in-law: J. T. (Lillie) Cunningham of Monroeville, AL and Madison Tucker of Peterman, AL; four sisters-in-law: Shirley Tucker of Detroit, MI, Bessie Tucker of Peterman, AL Merri Lyn Bowles of Fallon, NV, and Marie Bryner Bowles of Salt Lake City, UT; a host of nieces, nephews, other loved relatives and many friends.
