### Frankie's Light

Written By: Shawonna S. Grace

God came for him and we were not ready.

He wrapped his loving arms around him and whispered "Come with me".

We wish we could tell him how he brightens our day.

There was never a dull moment.

If he wasn't making you laugh, he gave words of encouragement.

A relic of an Angel has been engraved in our hearts.

The chain of life may have been broken and nothing seems the same, but as God calls us one by one, the chain will link again.
