

My Darion

You are the strength in our life, I can't imagine how I'm going to do it without you. I opened my eyes and there stood a grown man where a boy used to be, but I didn't have enough time. You were driven, resourceful, smart a leader and lived to bring out the best in every life you touched. My proudest moments is watching you never doubt yourself and stood for what you believed in and accomplished every goal you set. You never failed no matter what was said; you never stop fighting and believing in your dreams. I'm so happy that you chose me as your mother. You taught me so much about love, life and confidence. In your passing son please continue to watch over and protect us, continue to give us the strength to do it all gracefully through you everlasting love. Death can't keep us apart; your love is forever continue to walk with me forever.

I love you
Mommy

With Much Gratitude

The family of Darion T. Glanton extends their deepest gratitude to all for the many acts of kindness and sympathy shown before now as well as during our time of bereavement.

Perhaps you sent a lovely card,
Or sat quietly in a chair.
Perhaps you sent a funeral spray,
If so we saw it there.
Perhaps you spoke the kindest words,
As any friend could say;
Perhaps you were not there at all,
Just thought of us that day.
Whatever you did to console our hearts,
We thank you so much whatever the part.
