

AJONTE DAQUAN POPPY

I WILL FLY AWAY

Long before you thought my time was near. I belonged to God above, it is He who holds me dear. But I left a message, if you listen, it will all be so clear.

**I WILL FLY AWAY*

Sometimes, we shine too bright for this world and ascendance is the only place to go. High above earth's expectations, a place only believers know.

**I WILL FLY AWAY*

My legacy to the grievers goes a little something like this, cherish every second, hours, moment, hugs and kiss. I gave the purest part of me, but longevity wasn't meant to be. Quality over quantity as you can now see. There is a price for loving its in the grief you feel today. To have me even for those moments, heart ache is the debt to pay. Smile when you think of me I loved you while I could each day, in my own voice and manner, hold on to that and now

**I WILL FLY AWAY*
