

Acknowledgement

At a time like this when sorrow invades the heart and home,
it means so much to have loving family and friends.
Thank You for each kind expression of sympathy,
which will always be remembered.
May God keep each of you.
~~The Family~~

We knew the day would come God was going to call your name.
In life we loved you dearly, in death we do the same.
Although it broke our hearts to lose you, you did not go alone.
For part of us went with you the day God called you home.
You let us lots of memories. Your love is still our guide.
And although we cannot see you. You are always at our side.
God saw fit to call your name to ease your pain
Our family chain is broken, and nothing seems the same.
But as God calls us one by one the chain will link again.

In Loving Memory of Debra "Patsy" Johnson

We Love You.
