

Acknowledgement

At a time like this when sorrow invades the heart and home,
it means so much to have loving family and friends.

Thank You for each kind expression of sympathy,
which will always be remembered.

May God keep each of you.

DADDY

Daddy,

You taught us how to live this most precious God given life,
You taught us how to remain cool under pressure and strife.
You taught us to overcome adversity with a smile on our face,
And you taught us how to forgive and show everyone grace.
You taught us how to lead and leave our mark on this earth,
You even taught us charm, passion, and to know our worth.
Of all these gifts, you bestowed - and they are all very true,
But Daddy, you never taught us how to miss you.

Until we see you again. Your children
