HOME GOING TIME

We watched you slowly fade away. We tried so hard to make you stay.
But God was watching from above and took you home to share His love.

He saw the road was getting rough, the hills too steep to climb.

He softly whispered, "Come, my Child, it's Home Going Time."

And so you gently closed your eyes and folded those tired hands,
Looked up into His Loving Face and joined the "Heavenly Band."

NOTICE OF MY CHANGE OF ADDRESS

Dear Family and Friends,

I want you to know that I have moved. I received a call from God, the Chief Architect, who informed me that my new house was ready and that I could move in immediately.

You know that I have been sending up some timber, packing up and getting ready to go, but there were some minor finishing touches on some of the timber only the Chief Carpenter, Jesus Christ, could handle. Some were too little, others too broad, thick or was not quite enough.

Well, my home is finished now and it's such a beautiful sight to behold. It is located on an exclusive estate, and it sits on a beautiful hillside where the entrance gates are made of pearl and the streets are paved with gold. One thing is very strange - there are no calendars here because every day is Sunday. I haven't been given an assignment just yet, but this place is really grand! There's no more pain and cares of the world to bear. No strife, nor discontent, there is only sweet serenity everywhere. Let me give you my new address, because I highly recommend you make plans to live here too:
