## GONE TOO SOON

I didn't think you would be leaving this Earth so soon.  
I wish I got the chance to say goodbye.  
But you were gone before I knew it,  
God is the only person that knew why.  
I never knew how much I would need you.  
To this day, I still break down in moments alone.  
If love was the only thing that could have kept you here,  
I know that you would not have gone.  
While you were here, I loved you with all my heart,  
And in death, I will continue to love you still.  
There is a special place in my heart for you  
That no one else could ever fill.  
I can't believe that you are gone,  
But I know that you didn't go on alone.  
Half of me went with you,  
The day God decided took you home.
