## Letter To Papa

In the dictionary, if you looked up the definition of a "great man," you'd find your name! Great father & great grandfather even through all your pain. You fought a good battle papa! You were always so strong. They gave up on you a long time ago! Every time You proved them wrong!! Even though it hurts, I find peace in knowing you're finally free!! In my heart, I'll always carry you with me!!

*Love Always. Dannica*
