## Loving Lois

Lois has always been loving and kind.  
I thank You, Lord, for allowing her to be a friend of mine.  
Boy, did we have some fun memories along the way,  
I'll think of Lois every day.  
She always showed love.  
Just being in her presence exhibited  
She came from our Father above.  
I prayed and prayed, but it was not to be.  
Our Father decided to set Lois free.  
For as long as we live  
We must remember that we are in God's will.  
And for us that must stay,  
Our main goal should be to love each other each day.  
Time is winding down,  
We must learn to be like Lois  
And put God first as long as we are around.

We love you, Lois,  
Class of "71"
