My Journey's Just Begun

Don't think of me as gone away; my journey's just begun.

Life holds so many facets; this earth is but one.

Just think of me as resting from the sorrows and the tears.

In a place of warmth and comfort where there are no days and years.

Think of how I must be wishing that you could know today

How nothing but your sadness can really go away.

And think of me as living in the hearts of those I touched.

For nothing loved is ever lost and I know I was loved so much.
