### GOD'S GARDEN

When tomorrow starts without me and I'm not there to see;  
If the sun should rise and find your eyes filled with tears for me.  
I wish so much you wouldn't cry the way you did today;  
While thinking of the many things we didn't get to say.  
I know how much you love as me as much as I love you;  
And each time that you think of me, I know you'll miss me too.  
When tomorrow starts without me, don't think we're far apart  
For every time you think of me, I'm right here in your heart.
