### *Forever in My Heart*

The moment that you left me,  
My heart split in two.  
One side filled with memories  
The other side died with you!  
Often, I lay awake at night  
When the world is fast asleep,  
And take a walk down memory lane  
With tears upon my cheek.  
Remembering you is easy.  
I do it every day.  
But missing you is a heartache,  
That never goes away.  
I hold you tightly within my heart  
And there you will remain.  
You see life goes on without you,  
But will never be the same.

*Your King. Your Best Friend.  
Your Wife.  
Robbie*
