

## I Understand...

I understand why my heavenly father took your hand, he said come with me my child, so you can be free, you can now breathe.

Although I feel so empty inside and I often cry, I understand it was time for you to get your wings and fly.

I understand Ma, why you groomed me to be the queen I am Always wear my crown, stand firm on solid ground.

I understand why you told me not to only demand respect, Nikki you command respect. I understand why you were the best model mother in the world so I can be the same for my son and little girl.

I understand all of life's virtues you taught me are true you can rest in peace knowing that I will follow the teachings of you.

Rest in peace, you are irreplaceable

Love always,

Your #1 and only daughter
