

*God looked around his garden
And found an empty place.
He then looked down upon the earth,
And saw your tired face.*

*He put His arms around you
And lifted you to rest.
God is beautiful,
for He only takes the best.*

*He knew that you were suffering,
He knew that you were in pain.*

*So He closed your weary eyes
And whispered "Come with me."*

*It broke our hearts to lose you
But you did not go alone...
For part of us went with you
The day God called you home.*
