I'M FREE

*Don't grieve for me, for now I'm free
I'm following the path God has laid you see.
I took His hand when I heard him call
I turned my back and left it all.*

*I could not stay another day
To laugh, to love, to work, to play.
Tasks left undone must stay that way
I found that peace at the close of day.*

*If my parting has left a void
Then fill it with remembered joy.
A friendship shared, a laugh, a kiss
Oh yes, these things I too will miss.*

*Be not burdened with times of sorrow
I wish you the sunshine of tomorrow.
My life's been full, I savored much
Good friends, good times, a loved one's touch.*

*Perhaps my time seemed all too brief
Don't lengthen it now with undue grief.
Lift up your hearts and peace to thee
God wanted me now; He set me *free*.*

Granddaddy

*We'll always remember
That special smile,
That caring heart,
That warm embrace,
You always gave us,
You being there
For granny and us
Through good and bad times,
No matter what.*

*We'll always remember
You Granddaddy because
There will never be another one
To replace you in our hearts
And the love we will always
Have for you.*

*Love You,
The Grandchildren*

REMEMBER ME

Don't remember me with sadness,
Don't remember me with tears,
Remember all the laughter,
We've shared throughout the years.

Now I am contented
That my life it was worthwhile,
Knowing that I passed along the way
I made somebody smile.

When you are walking down the street
And you've got me on your mind,
I'm walking in your footsteps
Only half a step behind.

So please don't be unhappy
Just because I'm out of sight,
Remember that I'm with you
Each morning, noon and night.
