Tributes

My Sweet, Oldest, Baby Girl

My Daughter, you were my first born. I loved you so dearly. When you were born, you came into this world with bright eyes and a sweet cry. And you would stay awake all night until you were about 3 months old. And now, God in heaven knows, I wish I could hear that same cry and see those same eyes now. My memories of you will last forever. I love you Roise, always and forever.
