***Brother...***

*Today is full of memories  
Of a Brother laid to rest  
And every single one of them  
Is filled with happiness*

*For you were someone special  
Always such a joy to know  
And there was so much pain  
When it was time to let you go.*

*That's why this special message  
Is sent to heaven above  
For the angels to take care of you  
And give you all our love.*

*With love,  
Your Brothers and Sisters*

***By the way ....***

*You left without warning  
Gone so fast  
Now all we have are memories  
Of our past*

## *Precious Memories*

### *Howard...*

*You left us beautiful memories  
Your love is still our guide  
And though we cannot see you,  
You are always by our side.  
Our family chain is broken  
And nothing seems the same  
Just as God calls us one by one  
The chain will link again.*
