Tributes

In Loving Memory of my Daughter

*My heart has been left broken since the day you had to go and the memories I treasure dearly are in the tears that still flow
If only I could have the chance to see your face once more or to hear your voice one final time just like it was before
You are in my thoughts every day and that is how it will always be for you may be in Heaven now but you will always be with me*

*I Love You & Miss You "sugga" Always
Your Mother*

Miss Me But Let Me Go

*When I come to the end of the day.
And the sun has set for me.
I want no rites in a gloom-filled room.
Why cry for a soul set free?
Miss me a little, but not too long.
And not with your head bowed low.
Remember the love we once shared---
Miss me, but let me go.
For this is a journey we all must take.
And each must go alone.
It's all part of the maker's plan.
A step on the road to home.
When you are lonely and sick at heart.
Go to the friends we know.
And bury your sorrows in doing good deeds-
Miss me but let me go.*

*I love you Always and Forever
Your Daddy*

Tributes

Somewhere in my heart beneath all my grief and pain, is a smile I still wear at the sound of your dear name. The precious word is "Mother", she was my world you see

But now my heart is breaking cause she's no longer here with me. God chose her for His angle to watch me from above, to guide me and advise me and know that I'm still loved.

The day she had to leave me when her life was on earth was through. God had better plans for her, for this, I surely knew. When I think of her kind heart and all those loving years.

My memories surround me and I can't hold back the tears.

She truly was my best friend, someone I could confide in.

She always had a tender touch and a warm and gentle grin.

I want to thank you Mother for teaching me so well, And though the time has come that must bid you this farewell.

I'll remember all you've taught me and make you proud you'll see.

Thank you my Dear Mother for all the love you showed me.

Although you've left this earth and now you taken flight, I know that you are here with me each morning, noon and night.

I Love You Always and Forever Your Son

As I sit in heaven and watch you everyday I try and let you know with signs I never went away. I hear you when you're laughing and I watch you as you sleep I even place my arms around you to calm you as you weep. I see you wish the days away begging to have me home, so I try and send you signs, so you know you're not alone. Don't feel guilty that you have life.

Life that was denied to me. Heaven is turly beautiful, just wait and see! So live your life, laugh again, enjoy yourself, free. Then I'll know with each breath you take, you'll be taking one for me.

I love you Always my Daughter
