A Little Tear

Just close your eyes and you will see all memories that you have for me.

Just sit and relax and you will find I'm still there inside your mind.

Don't cry for me now, I'm gone for I am in the land of song, there is no fear so dry
away that silent tear.

Don't think of me in the dark and cold for here I am no longer old I am in the place
that is filled with love, known to you all as "up above"
