

A Poem to Bobby

*Bobby, I wish I could wake up and see you standing here,
Then I would surely know, this was my worst nightmare.
I would love to hear your deep voice and see your smile,
If only just for a little while.*

*Son, I find it very hard to sleep, from the reality of losing you,
The pain is hard to bear, and the wounds are far too deep.
I only have pictures now, a frozen piece of time.*

*I hold these close to my heart,
To remind me that you were here and was mine.
Bobby, I was blessed with 41 years of memory,
That will forever be in my heart.*

*We created a bond that time and distance
could never break apart!!!*

*"I Love You Son" forever and ever!
~ Mommy ~*

*You are the first person who loved me,
and the first person I truly loved.*

and actions. A special thank you to aunts, Delorias Gooden,
