## *Remember Me*

Don't remember me with sadness,  
Don't remember me with tears,  
Remember all the laughter,  
We've shared throughout the years.

Now I am contented  
That my life it was worthwhile,  
Knowing that I passed along the way  
I made somebody smile.  
When you are walking down the street  
And you've got me on your mind,  
I'm walking in your footsteps  
Only half a step behind.  
So please don't be unhappy  
Just because I'm out of sight,  
Remember that I'm with you  
Each morning, noon and night.

## *Farewell to the Lady*

If the woman that lights the home up flickered and burnt out;  
We will be all lost in the dark and fall without a doubt.  
We will willow in the mud and we will struggle to crawl;  
Troubles will seem to be giants, even if they are small.

Farewell to the lady who had been there through thick and thin;  
Wipe all the dirt upon stumbling, until we're shiny, bright and clean.  
Who smiles at all the laughter we made when we succeed;  
God, take care of her, to you we hardly plead.

## *Acknowledgments*

The family acknowledges with deep appreciation the many comforting messages, visits, flowers, words of comfort and other expressions of kindness. We thank you for your prayers and concerns. May God bless each of you.
