

*My earthly life is over,  
I've gained my Heavenly reward,  
So don't cry for me, and dry your tears,  
God did not make a mistake, he wanted me here,  
To be with Him, away from the cares of this life,  
To no longer to deal with sickness, disease, or strife,  
Cheer up family and friends,  
It's not goodbye, or the end  
We'll understand it all by and by,  
When we meet again.
