My Journey Has Just Begun

Don't think of me as gone, my journey has just begun.

Life holds so many things, the earth was only one.

Just think of me as resting, from the sorrows and the tears.

In a place of warmth and comfort,

where there are no days and years.

Think of how I must be wishing that you could know today,

How nothing but your sadness can really pass away.

Just think of me as living in the heart of those I touched;

For nothing loved is ever lost, for I know I was loved very much.
