I'm Free

Don't grieve for me, for now I'm free; I'm following the path God has laid you see. I took His hand when I heard him call, I turned my back and left it all. I could not stay another day; to laugh, to love, to work, to play. Tasks left undone must stay that way, I found that peace at the close of the day. If my parting has left a void, then fill it with remembered joy. A friendship shared, a laugh, a kiss; oh yes, these things I too will miss. Be not burdened with times of sorrow; I wish you the sunshine of tomorrow. My life's been full, I savored much; good friends, good times, a loved one's touch. Perhaps my time seemed all too brief; don't lengthen it now with undue grief. Lift up your hearts and peace to thee; God wanted me now; He set me free.

Acknowledgement

We are grateful for the many friends, prayers, visits and thoughtfulness during our hour of sorrow. We implore God's richest blessing upon you.
