Broken Chain

*We little knew that morning that
God was going to call your name.
In life we loved you dearly,
in death we do the same.*

*It broke our hearts to lose you,
you did not go alone;
for part of us went with you
the day God called you home.*

*You left us peaceful memories,
your love is still our guide;
and though we cannot see you,
you are always at our side.*

*Our family chain is broken,
and nothing seems the same;
but as God calls us one by one,
the chain will link again.*
