

Change of Address

Dear Family & Friends,

Please be advised that I have moved. I received a call from the Chief Architect, God. He informed me that it was time to depart from Earth and come home. You all know that I had been waiting on my new residence, sending up prayers, and packing up and getting ready to go. In my Father's house there are many mansions, and I have received mine. It is a sight to behold! It's located in an exclusive estate behind the beautiful pearly gates. The streets are paved with gold and every day is Sunday. Here in my new home, I can walk and talk and give face praise to my Master. For years I lived in a house built by man, but nothing can compare to the house I'm in now. There is peace here along with joy and happiness. No pain, no heartache, no doctors, no bills, and no discontentment. It's sweet serenity. I can dine at the Master's bountiful table while listening to the heavenly choir and best of all; my divine Father is here with me, in all his glory. I have my own long robe and my custom fitted wings. I could go on and on about my new home, but instead, I will pray that you move here one day, but before I go, let me give you my new address:

Faith is like a candle
flame a glow that keeps
us strong and faith is
there to see us through
when things seem to go
wrong. Life's not always
easy we're bound to
have some sorrow But
faith can help to get us
through to a better day,
tomorrow so when you
burn this candle and
you see its steady light
remember that your
faith will help make
dark days seem more
bright.
