The Prayer Love

Lord make me an instrument of peace , where hatred let me love. Let me think quietly over what has to be done today, because I know that I am in your hands. So I go in peace, as I look at what sort of day it is, because doubt is faith and despair is hope. Darkness is light and sadness is joy. My father, I thank you for another night of quiet, restful sleep and all the morning light, your holy, that I may have eternal life.

Psalm 23 Verse 4; Even though I walk through the dark valley, I will fear no evil because you are with me.

love, Pameliar Massey

Miss Black Beauty

*Black Beauty? Black Beauty? Yes y'all, I heard him calling me. All the sleepless nights, the pain, the agony. So I went, I'm here. Was ready to be set free. I'm up here, watching everyone in this room. Broken hearts, tears filled with sadness and gloom. Why cry for a soul that's been set free. Hey, celebrate my life with a big smile and a lot of glory and memories. Family hold onto my spirit and my soul. Believe me when I say "I'm good". I'm here with our father walking down the streets of gold. **Tonya** I loved you and love you still. Wouldn't have it no other way, it's Gods will. I love you the same as all the rest. I love neither more or less. Didn't have to worry about you much because I knew if anything went wrong, you would fix it with that Carter touch. **James** and **Pete** my two grown strong men. Boys, I know if you stay focus, keep trying you will soon win. I know I stayed on you all a lot not always from anger, I wanted the world to meet the two great boys I got to know. I got my **April**, my twin, my mini-me. I know your prayed you would never see this day. Wondering what you would do without Mom. Close your eyes, grab your heart Baby, that's all. **Ron** you always been my strong, Diva Scarlet and stay this way for **Angeline** and **Charlotte**, the loves of my life. I'm going to be watching over you every single night. I'm your guardian angel, every second, everyday. I will always be here. Grandma will never go away. Death is nothing at all, something we all will do, we all will carry that torch. So don't worry, "I'm good". Me, Ceil, and Ann are sitting on heavens' porch enjoying this heavenly sunshine. Just didn't have enough time, so if I didn't say your name doesn't mean I don't care, see I'm a little busy chilling with my husband, Sugar Bear. I love you all and you all meant so much to me, I am who I am, and you all know who that be:*
