### GOING HOME

*Thank you for calling me. Thank you for helping me.  
Thank you for carrying me. Even through my struggles  
To the Son who says He loves me.*

*You have touched my heart, So, I know you care.  
Feeling the warmth of your love, That we all knew was there.*

*I see the sun rising. Now It's all complete to me.  
No more doubts, no more questions. Now I am truly free.*

*No one could keep from you. Now my heart walks with thee.  
That's why I continued to serve you only. I pray my children will follow me.*

*They have blessed me also, With the abundance of their love.  
And it was a grand time we had, Learning about my home up above.*

*I lift them all up to you. Please cover each and everyone.  
Only you know their hearts Lord. Even though they don't speak it,  
Only you know their hearts. Just fix it, to keep it.*

Laura Walker
