

Don't Cry For Me Just Let Me Go

Don't cry for me, just let me go for there is no kind of fears.

Don't cry for me, just let me go please dry up all your tears.

Don't cry for me, just let me go this was borrowed land.

Don't cry for me, just let me go I'm now in the Master's plan.

I was here for a short while. You knew I couldn't stay.

I was here to make you smile. But now I'm gone away.

There's no more suffering and no more pain I hope you see this way

I've taken wings and flown up high to a better place.

So don't weep and don't you mourn. We shall meet again.

Don't you weep and don't you mourn. It was all in the Master's Plan

I know you all loved me for all these years.

But it was time to take a rest.

There is one thing that I need you to know. That God loved me best.

Don't cry for me, just let me go I'm just in a deep sleep.

Don't cry for me, just let me go live righteous and we shall again meet.
