

Miss Me But Let Me Go

Author: Christina Georgina Rossetti

When I come to the end of the road

And the sun has set for me

I want no rites in a gloom-filled room

Why cry for a soul set free?

Miss me a little-but not too long

And not with your head bowed low

Remember the love that we once shared

Miss me-but let me go

For this is a journey that we all must take

And each must go alone.

It's all part of the Master's plan

A step on the road to home

When you are lonely and sick of heart

Go to the friends we know

And bury your sorrows in doing good deeds
