Committal & Benediction

Recessional

My Father,

My Father was a strong man of many talents

Blood sweat and tears brought forth balance

Despite life's obstacles, pain and fears

You stood as man protecting everything you hold dear

With no time for pity, guilts or life's misfortunes

You persevered through the evil with life's blessings as tokens

Along with the impact that you've made,
and the way you've paved

With the love u gave and the souls you've saved

Will forever live passed the death of this grave

So with these memories I'll hold life from a Prince to a King

I thank you for the positive future That tomorrow brings
