Your Spirit

I know that no matter what you will always be with me,
when life separates us I'll know it is only your soul saying
goodbye to your body, but your spirit will be with me always.

When I see a bird chirping on a near by branch I will know
it is you singing to me. When a butterfly brushes gently
by me so care free, I will know it is you assuring
me you are free from pain.

When the gestal fragrance of a flower catches
my attention, I will know it is you reminding me to
appreciate the simple things in life. When the sun shining
through my window awaken me, I feel the warmth
of your love. When I hear the rain pity patter against
my window sill I will hear your words of wisdom
and will remember what you taught me so well.

That's without rain tress cannot grow, without rain
flowers cannot bloom, without life challenges I cannot
grow strong when I look out to see you.
