Feel not sad for me
For I am so very happy
In a place where there is no more pain,
no heartache
I left this earth for a
higher place. I am at peace,
I am at rest. So feel not sad for me.
I slipped away quietly
But now I can rejoice
I am watching, and
waiting for the one day,
Again, you will hear my voice
So feel not sad for me
For family! I am finally free
