I'm Free

Don't grieve for me, for now I'm free, I'm following the path God laid for me.

I took his hand when I heard him call,

I turned my back and left it all. I could not stay another day,

To laugh, to love, to work or play; Tasks left undone must stay that way.

If my parting has left a void. Then fill it with remembered joy.

A friendship shared, a laugh, kiss, Ah yes, these things too I will miss.

Be not burdened with times of sorrow, I wish you the sunshine of tomorrow.

My life's been full, I've savored much.

Good friends, good times, a loved one's touch

Perhaps my time seemed all too brief.

Don't lengthen it now with undue grief.

Lift up your hearts and share with me,
