

Special Angel In Heaven

There's a special Angel in Heaven, that is a part of me
It is not where I wanted her, but where God wanted her to be
She was here but just a moment, like a night time shooting star
And though she is in Heaven, she isn't very far
She touched the hearts of many like only Angels can
I would've held her every minute, if I'd only known God's plan
So I send this special message to the Heavens up above
Please take care of my Angel and send her all my love
